- 4.4** Electronic funds transfer will be used by the State to pay Contractor under this Contract, and for any other State payments due to the Contractor, unless the State Comptroller's Office grants the Contractor an exemption.

5. Rights to Records

- 5.1** The Contractor agrees that all documents and materials, including but not limited to software, reports, drawings, studies, specifications, estimates, tests, maps, photographs, designs, graphics, mechanical, artwork, computations, and data prepared by the Contractor solely for purposes of this Contract with and delivered to the State shall be the sole property of the State and shall be available to the State at any time. The State shall have the right to use the same without restriction and without compensation to the Contractor other than that specifically provided by this Contract.
- 5.2** The Contractor agrees that, at all times during the term of this Contract and thereafter, works created as deliverables under this Contract, and services performed under this Contract, shall be "works made for hire," as that term is interpreted under U.S. copyright law. To the extent that any products created as deliverables under this Contract are not works for hire for the State, the Contractor hereby relinquishes, transfers, and assigns to the State all of its rights, title, and interest (including all intellectual property rights) to such products, and will cooperate reasonably with the State in effectuating and registering any necessary assignments.

If a third party claims that a product infringes that party's patent or copyright, the Contractor will defend the State against that claim at the Contractor's expense and will pay all damages, costs, and attorney fees that a court finally awards, provided the State (i) promptly notifies the Contractor in writing of the claim; and (ii) allows the Contractor to control, and cooperates with the Contractor in, the defense and any related settlement negotiations. The obligations of this Section 6.2 are in addition to those stated in Section 6.3 below.

6.3 If any products furnished by the Contractor become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement, the Contractor will, at its option and expense: a) procure for the State the right to continue using the applicable item; b) replace the product with a non-infringing product substantially complying with the item's specifications; or c) modify the item so that it becomes non-infringing and performs in a substantially similar manner to the original item.

7. Confidentiality

Subject to the Maryland Public Information Act and any other applicable laws, all confidential or proprietary information and documentation relating to either party (including without limitation any information or data stored within the Contractor's computer systems) shall be held in absolute confidence by the other party. Each party shall, however, be permitted to disclose relevant confidential information to its officers, agents, and employees to the extent that such disclosure is necessary for the performance of their duties under this Contract, provided that the data may be collected, used, disclosed, stored, and disseminated only as provided by and consistent with the law. The provisions of this section shall not apply to information that (a) is lawfully in the public domain; (b) has been independently developed by the other party without violation of this Contract; (c) was already in the possession of such party; (d) was supplied to such party by a third party lawfully in possession thereof and legally permitted to further disclose the information; or (e) such party is required to disclose by law.

The Contractor shall ensure that all data is backed up and recoverable by the Contractor.

9. Indemnification

9.1 The Contractor shall indemnify the State against liability for any costs, expenses, loss, suits, actions, or claims of any character arising from or relating to the performance of the Contractor or its subcontractors under this Contract.

ATTACHMENT A - CONTRACT (continued):

- 9.3** The State has no obligation for the payment of any judgments or the settlement of any claims against the Contractor or its subcontractors as a result of or relating to the Contractor's obligations under this Contract.
- 9.4** The Contractor shall immediately notify the Procurement Officer of any claim or suit made or filed against the Contractor or its subcontractors regarding any matter resulting from or relating to the Contractor's obligations under the Contract, and will cooperate, assist, and consult with the State in the defense or investigation of any claim, suit, or action made or filed against the State as a result of or relating to the Contractor's performance under this Contract.

10. Non-Hiring of Employees

No official or employee of the State, as defined in State Government Article, § 15-102, Annotated Code of Maryland, whose duties as such official or employee include matters relating to or affecting the subject matter of this Contract, shall, during the pendency and term of this Contract and while serving as an official or employee of the State, become or be an employee of the Contractor or any entity that is a subcontractor on this Contract.

11. Disputes

This Contract shall be subject to the provisions of Title 15, Subtitle 2, of the State Finance and Procurement Article of the Annotated Code of Maryland, as from time to time amended, and COMAR 21.10 (Administrative and Civil Remedies). Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Contract in accordance with the Procurement Officer's decision. Unless a lesser period is provided by applicable statute, regulation, or the Contract, the Contractor must file a written notice of claim with the Procurement Officer within 30 days after the basis for the claim is known or should have been known, whichever is earlier. Contemporaneously with or within 30 days after the filing of a notice of claim, but no later than the date of final payment under the Contract, the Contractor must submit to the Procurement Officer its written claim containing the information specified in COMAR 21.10.04.02.

12. Maryland Law

This Contract shall be construed, interpreted, and enforced according to the laws of the State of Maryland.

ATTACHMENT A - CONTRACT (continued):

13. Nondiscrimination in Employment

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, sexual orientation, national origin, ancestry, or disability of a qualified individual with a disability; (b) to include a provision similar to that contained in subsection (a) above in any subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post, and to cause subcontractors to post, in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

14. Contingent Fee Prohibition

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson or commercial selling agency working for the Contractor, to solicit or secure this Contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson or commercial selling agency, any fee or other consideration contingent on the making of this Contract.

15. Non-Availability of Funding

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

16. Termination for Cause

If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

ATTACHMENT A - CONTRACT (continued):

17. Termination for Convenience

The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12 A (2).

18. Delays and Extensions of Time

The Contractor agrees to perform this Contract continuously and diligently. No charges or claims for damages shall be made by the Contractor for any delays or hindrances from any cause whatsoever during the progress of the work specified in this Contract.

Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.

19. Suspension of Work

The Procurement Officer unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

20. Pre-Existing Regulations

In accordance with Section 11-206 of the State Finance and Procurement Article, Annotated Code of Maryland, as from time to time amended, the regulations set forth in Title 21 of the Code of Maryland Regulations (COMAR 21) in effect on the date of execution of this Contract are applicable to this Contract.

21. Financial Disclosure

The Contractor shall comply with Section 13-221 of the State Finance and Procurement Article of the Annotated Code of Maryland, which requires that every person that enters into contracts, leases, or other agreements with the State or its agencies during a calendar year under which the business is to receive in the aggregate, \$100,000 or more, shall, within 30 days after the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of the State of Maryland certain specified information to include disclosure of beneficial ownership of the business.

ATTACHMENT A - CONTRACT (continued):

22. Political Contribution Disclosure

The Contractor shall comply with Election Law Article, §§14-101 to 14-108, Annotated Code of Maryland, which requires that every person that enters into contracts, leases, or other agreements with the State, a county, or an incorporated municipality, or their agencies, during a calendar year in which the person receives in the aggregate \$100,000 or more, shall file with the State Board of Elections a statement disclosing contributions in excess of \$500 made during the reporting period to a candidate for elective office in any primary or general election. The statement shall be filed with the State Board of Elections: (1) before a purchase or execution of a lease or contract by the State, a county, an incorporated municipality, or their agencies, and shall cover the preceding two calendar years; and (2) if the contribution is made after the execution of a lease or contract, then twice a year, throughout the contract term, on: (a) February 5, to cover the 6-month period ending January 31; and (b) August 5, to cover the 6-month period ending July 31.

23. Retention of Records

The State and its authorized representatives shall be authorized to examine the contractor's books, records and accounts that are directly related to the performance of this contract. All records shall be available during normal business hours for review by authorized representatives of the State, including the Procurement Officer or the Procurement Officer's designee. In all situations, records shall be retained for three years after final payment, or for three years after final resolution of any audit questions or pending litigation.

24. Warranties

The Contractor hereby represents and warrants that:

- A. It is qualified to do business in the State and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- B. It is not in arrears with respect to the payment of any monies due and owing the State, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- C. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract;
- D. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

25. Cost and Price Certification

By submitting cost or price information, the Contractor certifies, to the best of its knowledge, that the information submitted is accurate, complete, and current as of the date of the Contractor's offer.

ATTACHMENT A - CONTRACT (continued):

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information that, as of the date of its offer, was inaccurate, incomplete, or not current.

26. Subcontracting; Assignment

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the State, nor may the Contractor assign this Contract or any of its rights or obligations hereunder without the prior written approval of the State. Any such subcontract or assignment shall include the terms of Sections 10 and 12 through 25 of this Contract and any other terms and conditions that the State deems necessary to protect its interests. The State shall not be responsible for the fulfillment of the Contractor's obligations to any subcontractor or assignee.

27. Liquidated Damages

Time is an essential element of this Contract and it is important that the work be vigorously prosecuted until completion. If designated work time frames (i.e. federally required time frames) are stated and the Contractor fails to make that time frame and the State incurs costs, these costs will be deducted as liquidated damages. Costs would be such as overtime due to an individual that is not able to work, etc.

The employee is the employee who is referred for an examination or evaluation. As determined by the DAC and/or the Contract Manager, the DAC will deduct \$155.00 per day from the amount charged by the Contractor each time the final written report is not received within the time specified in the RFP. The amount will be deducted each day until the report is received. Financial damages will be deducted from the Contractor's bill for services provided on the subsequent month's payment.

The imposition of financial damages begins on the date (as determined by the DAC and/or Contract Manager) when the Contractor has all of the information and documentation deemed necessary to make a determination, but the Contractor is late in delivering a final written report. Allowances will be made for Acts of God and forces majeure (i.e., electrical outages, weather emergencies) that are truly beyond the Contractor's control, as determined by the DAC and/or the Contract Manager.

28. Commercial Non-Discrimination

28.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or

ATTACHMENT A - CONTRACT (continued):

limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

28.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by the Department of Budget and Management, in all subcontracts.

28.3 As a condition of entering into this Contract, upon the Maryland Human Relations Commission's request, and only after the filing of a complaint against Contractor under Title 19 of the State Finance and Procurement Article, as amended from time to time, Contractor agrees to provide within 60 days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past 4 years on any of its contracts that were undertaken within the state of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State's Commercial Nondiscrimination Policy as set forth under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions

29. Prompt Payment

29.1 If a contractor withholds payment of an undisputed amount to its subcontractor, the Agency, at its option and in its sole discretion, may take one or more of the following actions:

29.1.1 Not process further payments to the contractor until payment to the subcontractor is verified;

29.1.2 Suspend all or some of the contract work without affecting the completion date(s) for the contract work;

29.1.3 Pay or cause payment of the undisputed amount to the subcontractor from monies otherwise due or that may become due;

29.1.4 Place a payment for an undisputed amount in an interest-bearing escrow account; or

29.1.5 Take other or further actions as appropriate to resolve the withheld payment.

29.2 An "undisputed amount" means an amount owed by a contractor to a subcontractor for which there is no good faith dispute, including any retainage withheld, and includes an amount withheld because of issues arising out of an agreement or occurrence unrelated to the agreement under which the amount is withheld.

29.3 An act, failure to act, or decision of a procurement officer or a representative of the Agency, concerning a withheld payment between a contractor and subcontractor under this policy directive, may not:

ATTACHMENT A - CONTRACT (continued):

- 29.3.1 Affect the rights of the contracting parties under any other provision of law;
- 29.3.2 Be used as evidence on the merits of a dispute between the Agency and the contractor in any other proceeding; or
- 29.3.3 Result in liability against or prejudice the rights of the Agency.

29.4 The remedies enumerated above are in addition to those provided under COMAR 21.11.03.13 with respect to subcontractors that have contracted pursuant to the Minority Business Enterprise program.

29.5 To ensure compliance with certified MBE subcontract participation goals, the Agency may, consistent with COMAR 21.11.03.13, take the following measures:

29.5.1 Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule.

29.5.2 This verification may include, as appropriate:

29.5.2.1 Inspecting any relevant records of the contractor;

29.5.2.2 Inspecting the jobsite; and

29.5.2.3 Interviewing subcontractors and workers.

29.5.2.4 Verification shall include a review of:

29.5.2.4.1 The contractor's monthly report listing unpaid invoices over 30 days old from certified MBE subcontractors and the reason for nonpayment; and

29.5.2.4.2 The monthly report of each certified MBE subcontractor, which lists payments received from the contractor in the preceding 30 days and invoices for which the subcontractor has not been paid.

29.5.3 If the Agency determines that a contractor is in noncompliance with certified MBE participation goals, then the Agency will notify the contractor in writing of its findings, and will require the contractor to take appropriate corrective action.

29.5.3.1 Corrective action may include, but is not limited to, requiring the contractor to compensate the MBE for work performed as set forth in the MBE participation schedule.

29.5.4 If the Agency determines that a contractor is in material noncompliance with MBE contract provisions and refuses or fails to take the corrective action that the Agency requires, then the Agency may:

29.5.4.1 Terminate the contract;

29.5.4.2 Refer the matter to the Office of the Attorney General for appropriate action; or

29.5.4.3 Initiate any other specific remedy identified by the contract, including the contractual remedies required by this Directive regarding the payment of undisputed amounts.

ATTACHMENT A - CONTRACT (continued):

29.5.5 Upon completion of the contract, but before final payment or release of retainage or both, the contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from MBE subcontractors.
